

BTSC COVID-19 Update

The BTSC is committed to maintaining the safety of our members, staff, volunteers, and community at large. As such, BTSC will continue to follow all guidance and requirements from the Simcoe Muskoka District Health Unit, all rules and requirements provided by the City of Barrie regarding their facilities and any Swim Ontario mandates.

We do recommend that our swimmers, parents or legal guardians, volunteers, members and staff follow current public measures, which include vaccination and masking.

Recognizing that there is a range of opinions related to living in a COVID-19 environment, we would ask that all BTSC members continue to demonstrate respect for individuals' choices and decisions.

The BTSC will continue to monitor the changing requirements of the pandemic and communicate to members accordingly.
